

THUNDERCON 2018

PREMIERE CELEBRITY

PAUL McGILLION

Appearing on television and in movies since 1994, this multi-award winning actor is best known for his starring role as Dr. Carson Beckett on Stargate: Atlantis. Atlantis was a sci-fi genre favourite and aired for 5 years building a huge fan following. He has played roles on many popular titles including Star Trek, The X-Files, Smallville, The Twilight Zone, Supernatural, Sanctuary, The Flash, and more! We are very excited to have Paul coming and he is sure to be a huge hit!

Our Premiere Celebrity is heavily advertised and covered by the media. He is the main attraction at ThunderCon. This sponsorship offers very strong exposure and market connection.
